

Premises Registered under the Piercing and Tattooing (Jersey) Law 2002

Please note this list is correct on the date it was created

The Law regulates the practice of acupuncture (including dry needling), body piercing, ear piercing, electrolysis and tattooing (including semi-permanent make up and microblading) and the premises at which they are carried out. This list contains the premises which are registered under the Law and the 'treatments' that can be carried out at the registered premises.
